2023 Seeding

" " No seeding from 2022 so seeding from 2021 or similar 2022 competition

2024 Seeding

" " No seeding from 2023 so seeding from 2023 Premier/RJT competition

2024 Seeding with " " is proposed seeding should team enter in 2024.

2024 divisions will be filled with seeding order based on pool sizes so more than 2 teams could be promoted.

The HSCL will never place a strong team in lower division just because they did not swim in this competition the previous year to ensure all teams have a chance of winning.
