Accordingly, the League shall not refuse membership on the basis of a Protected Characteristic within the Act, such as disability; gender or gender identity; pregnancy; race; religion or belief; or sexual orientation. Neither may refusal be made on the grounds of political persuasion.
- 3.6 The League may refuse membership only for good and sufficient cause, such as conduct or character likely to bring the League or the sport into disrepute, or because the club is not able to achieve the entry rules for any competition as laid down and provided by the League to the applicant for membership.

Annex 1 Competition Conditions (League Bylaws)

1. Programme of events

Programmes for each competition shall be as indicated herein. Swimmer ages shall be as defined for each individual competition. The ages of all competition swimmers shall comply with the appropriate ASA Minimum Age law.

2. Allocation of lanes

The allocation of lanes shall be by random draw at the gala.

3. Allocation of clubs in gala groupings (Two-round competitions)

- a) Round 1 Seeded galas shall be balanced as shown, in principle, below. The team numbers refer to the position of that team in the previous year's competition.

i) Four gala groupings

	Teams							
Gala 1	1	8	9	16	17	x	x	x
Gala 2	2	7	10	15	18	x	x	x
Gala 3	3	6	11	14	19	x	x	x
Gala 4	4	5	12	13	20	x	x	x

ii) Five gala groupings

	Teams							
Gala 1	1	10	11	20	21	x	x	x
Gala 2	2	9	12	19	22	x	x	x
Gala 3	3	8	13	18	23	x	x	x
Gala 4	4	7	14	17	24	x	x	x
Gala 5	5	6	15	16	25	x	x	x

Galas may consist of 5, 6, 7 or 8 teams. Places marked with an "x" will be allocated as necessary to remaining teams competing (lower or unplaced teams in the previous year competition). Flexibility will be allowed for interchange of close placed teams, other than the top seeds, to allow practical gala hosting arrangements to be set up.

In some competitions geographical location may be used to set the gala grouping.

- b) Round 2 teams shall be set into successive groups in rank order to swim for Division/Group trophies. In general, teams shall be grouped into sets of 6, but flexibility will be allowed for groups of 4, 5, 7 or 8 teams to make optimum use of venues available.

4. Scoring

All gala events shall be scored in relation to the number of teams competing (e.g. 5,4,3,2,1 for a 5-team gala) and the swim position. If a gala with less than 6 teams is, in error, scored as 6,5,4,3,2,1 the conversion formula, to avoid fully rescoring, is:

Corrected points = $P - (6 - N)(E - D)$ where:

P = points allocated as 6,5,4,3,2,1; N=number of teams competing (3,4 or 5); D=number of DQs (or 'no swim') for the team.

If there is an event place *tie* both teams shall be awarded the *points for the position* points; e.g. 6 points for both swimmers/teams for a 1st place tie in a six-team gala.

Round 1 galas swum with other than 6 teams, shall have the gala points total rescaled by the Fixture Secretary to a six-team standard. The multiplication (re-scaling) factor to a 6-team standard shall be $7/(N+1)$ where N is the number of teams competing. E.g. 7/9, 7/8, 7/6, 7/5 for conversion from 8, 7, 5 or 4 teams respectively.

Teams shall be placed in rank order headed by Round 1 gala winners, followed by the remaining clubs with rank position set by Round 1 gala points, rescaled where necessary. This rank order shall be used to determine the gala groupings for Round 2

Round 2 galas shall be scored in accordance with the specific conditions of the competition concerned. In general all Final Round galas are trophy galas in their own right although it is necessary for trophy winners to have swum correctly in both rounds in accordance with the competition conditions. Teams that are ineligible for the trophy shall, however, still score in the gala in the normal manner.

Where the competition secretary cannot arrange suitable galas, clubs may be required to swim in an alternate gala and the competition secretary will then move the times to create the correct galas.

5. Postal Swimming

Where, due to excessive travel time and cost, teams are permitted to compete by submission of swimmer times previously obtained to the gala programme at a local pool, this will be known as Postal Swimming. The following shall apply.

1. Postal Swim galas shall be pre-swum in accordance with the programme and Specific Conditions in adequate time for the full results to be made available prior to the main competition round.
2. Postal Swim teams shall be allocated to one or more appropriate 'Host' galas.
3. The Host gala/s shall be swum, at the discretion of the Competition Secretary, with Postal-Swim Times either entered and used throughout the gala, or added later to determine swimmer positions.
Gala points acquired by Postal swim teams shall be exclusively used to place *those* teams and shall not affect the Grouping or Trophy awards of the teams swimming in the Host galas.
Where a Postal Swim team heads a final round Group this will be acknowledged independently.

6. General Conditions

- a. Minor League, Junior Cup, Premier League/Rother Trophies, Gemini Trophy, Invitation Meet, Rother League, and Virtual gala/s are separate competitions.
- b. The Competition Conditions shall apply to each competition unless specifically stated otherwise.
- c. Host clubs shall act as agents of the League, assuming the promoters responsibility for that particular gala. (where a separate Promoter club is specified because the host club does not have an hosting arrangement with a pool, the gala responsibility will remain with the host club, but the promoting club will provide the relationship with the pool, including liability insurance and where required and risk assessments.
- d. Swimmers may only swim the number of events as specified under the Conditions of the appropriate competition. Any infringement of this Condition will result in disqualification in the events where the infringement takes place and no points will be awarded to their team in those events. Disputes, which cannot be resolved by the Referee, shall be referred to the Executive within twenty-four (24) hours for a decision. The Open age group is an age group within its own right.
- e. Where a swimmer or team has been disqualified at an event start they may be offered a time trial in that race. Such a swim, if accepted, will be subject to an announcement that the swimmer/team is disqualified and is taking part only on a non-scoring time trial basis.
- f. Where mixed sex relays (G/B) are specified there must be an equal number of boys and girls in each team (eg a 4x1 G/B relay must consist of 2 girls and 2 boys). They may swim in any girl, boy order except in the Squadron relay which must be swum girl, boy in ascending age-group order.
- g. Swimmers must be registered and members of the club they represent from the date of the first gala of the Competition in which they take part.
- h. Where two teams from the same club take part in a gala, swimmers MAY NOT BE INTERCHANGED between the teams. In the Gemini Trophy, swimmers may be interchanged between the two strings.
- i. **The Maximum and Minimum age of swimmers in all competitions swum under the League auspices shall be as at the last, or only, round of that competition. Minimum age shall, to comply with ASA Law, be not less than nine (9) years.**
- j. Invitational Meet ages shall be as at the date of the gala.
- k. Gala starts may be delayed up to fifteen (15) minutes to allow for the late arrival of a club. Clubs arriving after the start shall be allowed one (1) point for each event missed. In the Gemini Trophy, clubs shall be allocated three (3) points for each event missed. Club failing to compete in a gala will not receive any points.
- l. The delegate of the sponsoring club of each gala is responsible for notifying (by telephone, either on the Saturday evening of the gala or between 8.30 to 10.00 a.m. on the following morning) the Fixture Secretary with the full points results of the gala, with written confirmation, if required, by the following Tuesday.
- m. The Fixture Secretary shall notify clubs of their venue for the next Competition Round at least fourteen (14) days before the gala date, together with full results of every gala, the current League Table and/or competition groupings as appropriate.
- n. Sponsoring clubs must provide programmes, venue details and a map to all participating clubs, no later than fourteen days prior to the gala.
- o. The use of air-horns, other than by the Starter, is forbidden.

Annex 2 Gala Hosting Guidelines

The League is grateful to clubs for acting as Promoters and hosts on behalf of the League by hosting galas. Some guidelines for Promoting, Host and Guest Clubs are given below.

Promoting Clubs:

1. Book, or confirm booking of, the agreed venue pool together with a lifeguard.
2. Inform the host club of the times when the pool will be available for entry to the pool and for warm up.
3. Ensure a copy of the pool operating procedures will be available.
4. Provide a promoter for the gala.

Host Clubs

1. Print Programmes.

Advise Guest Clubs, at least 14 days before the gala, of gala venue [including Post Code and telephone number], gala programme, pool entry and gala start time; *copy to the Competition Secretary please.*

2. Arrange Officials

Technical: Referees, Chief Time Keepers, Starter, Judge and lane Timekeeper,

Non-Technical: Recorders, announcer, door and raffle coordinators.

If you are short of any of these the first port of call for help is to Guest Clubs, then to the League if difficulty remains.

Check that, if applicable (all final rounds and Rother Rd2), the Trophy will be available for presentation. The Trophies Secretary is Chris Lintott.

At such galas all teams present must score, including any team not eligible for the Division Trophy.

3. At the gala ensure that the Rules and Competition Conditions are available to the Referee and Guest Clubs.

Score the gala in accordance with the number of teams present. Results should be announced in *lane* order with, optionally, the winning time given as well as the places. All disqualifications must be announced as soon as possible to allow for a possible club protest.

After the gala please ensure that the gala result is advised to the Competition Secretary that evening if possible so that the League table can be set up. For Final Round galas (and Rd 2 of the Rother League) include confirmation, or otherwise, that the trophy was presented.

4. Excessively loud noise sources, air horns in particular, can interfere with gala running and/or cause distress to nearby swimmers or spectators. The League requests that their use be confined, if applicable, to the sole use of the gala starter.

5. Costing

The Gala entry fee, including programme, (£3 at present) is set at each AGM and is intended to enable *most* galas to be run with just a small profit or loss. Profit or loss is the simple difference between the pool hire and the spectator entry receipts. Clubs are expected to run a raffle (with *optional* purchase by spectators) with pre-purchased or donated prizes, the proceeds from which can cover provision of programmes and general gala administration.

The League expects small losses on the gala (under about £50 or so) to be absorbed by Host Clubs that are using their home pool (on the basis of the saving of potentially significant travel costs) and is also happy for small profits to be retained by the club.

However there are many cost variables in pool hire charges, spectator accommodation number limits, number of clubs attending (5,6,7 or 8) and the gala type (all ages or Junior) so profits or losses *can* be significant.

The League will, on application, make a contribution towards significant losses (Rule 4d).

Likewise, in accordance with Rule 4c, clubs making a significant profit are invited to make a contribution to League funds.

Where galas are run at neutral pools the door money and pool invoice should be sent to the League Treasurer.

Note1: Computer programmes are available, on request, to provide swimmer positions and team points from event times for League galas.

Note2: Where hosting is at a neutral pool Guest Clubs are expected to be prepared to assist with the provision of non-technical helpers (announcer, recorder, door keeper etc).

Note 3: Clubs should, where practical, remain on poolside at the gala end for any trophy presentations that will be made. However where young children and long-distance travel or 'last ferry to the IOW!' implications are present those clubs may leave at once with understood apologies.

Virtual Competitions

These galas are introduced in acknowledgement of the difficulty, and high cost, of travel of some Member Clubs. Accordingly the gala programmes may be swum through by clubs either at their own or other local pools. Event times must then be submitted to the Competition Secretary, by e-mail in computer format, for swimmers to be ranked in each programme event.

For flexibility, and to avoid unnecessary clashes with other swimming (or school) activities, the date for the galas to be swum over will be given a time-band, specified in the Membership renewal form.

Ages, as at the last date of the competition time-band, must comply with the programme and ASA law: see rule 6i.

Virtual GALA/MEET

This Inter-Club/Meet gala may be swum with participation just by the members of one club, or in conjunction with another local club. Clubs may enter one or two teams. Some latitude is allowed on the programme order and, for example, girls and boys may be swum simultaneously to reduce the total gala time. Swimmers shall be set in rank order in each event from their submitted times. From these swimmer rank positions, gala points shall be awarded to each club, the total club gala points then determining the position of that club in the conventional manner.

The programme will be set each year and shown in outline on the Membership Renewal form and in detail on the League Website.

The ages shall be 9, 10, 11 and 12 years at 31st January in the Competition year.

Certificate awards will be made available to applicable event-winning swimmers.
